Provides detailed histories of many of the largest and most influential companies worldwide. Intended for reference use by students, business persons, librarians, historians, economists, investors, job candidates, and others who want to learn more about the historical development of the world's most important companies.

This library owns 80 volumes of this compendium of company histories (usually 2-3 pages each). See the index in volume 80 for all companies covered.

RV ownership is a way of life -- and a commitment to discovering North America's best camping and vacation spots. This look at the phenomenon includes a history of RVs, travel options and campground facilities, RV resorts and events, and profiles of top RV companies and entrepreneurs, along with side trips into such subjects as camping with kids, celebrity RVers, the senior set, and the sporting scene.
