History of Barbados Little is known of the early history of Barbados: it was occupied by Arawak Indians from South America as early as 1600 BC before they were wiped out by the cannibalistic Carib Indians around 1200 AD. This war faring tribe was then decimated with the arrival of the Spanish in the 1400s.

### Learn about the rich history, language and culture in Barbados

Location map of Barbados Destination Barbados, an island in the Lesser Antilles in the eastern Caribbean, northeast of Venezuela, to the east of Saint Lucia and Saint Vincent and the Grenadines. Today it is an independent British Commonwealth nation.

Highly acclaimed when it first appeared in 1990, this general history of Barbados traces the events and ideas that have shaped the collaborative experience of all the islands inhabitants. In this second edition, Hilary Beckles updates the text to reflect the considerable number of writings recently published on Barbados. He presents new insights and analyses key events in a lucid and provocative style which will appeal to all those who have an interest in the island's past and present. Using a vigorous approach, Hilary Beckles examines how the influences of the Amerindians, European colonisation, the sugar industry, the African slave trade, emancipation, the civil rights movement, independence in 1966 and nationalism have shaped contemporary Barbados.

Ligon's True and Exact History of the Island of Barbados is the most significant book-length English text written about the Caribbean in the seventeenth century. [It] allows one to see the contested process behind the making of the Caribbean sugar/African slavery complex. Kupperman is one of the leading scholars of the early modern Atlantic world. . . . I cannot think of any scholar better prepared to write an Introduction that places Ligon, his text, and Barbados in an Atlantic historical context. The Introduction is quite thorough, readable, and accurate; the notes [are] exemplary! --Susan Parrish, University of Michigan

As Barbados celebrates 350 years of established parliamentary government, this concise and authoritative history makes a timely appearance, covering the period from the first human settlement by the Amerindians to the present day. Social, political, and economic themes run throughout the book, including detailed aspects of early English colonization, the emergence and eventual abolition of the slave trade, and the development and growth of the sugar industry. Professor Beckles emphasizes the struggles for social equality, civil rights, and material betterment, detailing their continuous flow through the island's history since 1627.

social history of slavery.
