Understanding Mahayana and Theravada Buddhism. Mahayana, or “ The Greater Vehicle ” , believes that Enlightenment should be achieved by all, not just the monks. In Mahayana Buddhism, a “ bodhisattva ” , or a holy person, assists the common folk in reaching nirvana instead of perfecting their own Enlightenment.

With key reminders on the importance of our body and suggestions on working with it in meditation, he also considers the distractions, how to set up and maintain a regular meditation practice, insight and further levels of consciousness. Born John Wilson in London, Paramananda was curious about Asian ideas but it was not until the death of his father that his interest in Buddhism was aroused.
