Written in a clear, engaging style with a straightforward chronological organization, The American Journey introduces students to the key features of American political, social, and economic history. It gives prominent coverage to the West and South and highlights the importance of religion in American history. It makes American history accessible with an abundance of tools that help students identify important information and put it in context. Primary source documents introduce students to the concerns of the participants in history. A new feature called "American's Journey: From Then to Now," connects events and issues from the past to the concerns of the present. Compelling stories and ample use of quotations bring the past vividly alive.

Describes one Honduran boy's difficult and dangerous journey to find his mother, who had made the trek northward to the United States in search of a better life when Enrique had been five years old, but who had never made enough money to return home for her children, in a poignant account that addresses the issues of family and the implications of illegal immigration. Reprint. 30,000 first printing.

Retold Afro-American folktales of animals, fantasy, the supernatural, and desire for freedom, born of the sorrow of the slaves, but passed on in hope.

An introduction to leadership draws on a program developed for an elementary school to show how to apply the principles of "The 7 Habits of Highly Effective People" to help everyone, including young children, identify and use their individual talents.

Covers the history to 1647.
