Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

This is the story of the men who, as political realists, fought for the cause of racial reform in America before, during, and after the Civil War. Charles Sumner, Thaddeus Stevens, Benjamin F. Wade, and Zachariah Chandler are the central figures in Mr. Trefousse's study of the Radical Republicans who steered a course between the extreme abolitionists on the one hand and the more cautious gradualists on the other, as they strove to break the slaveholder's domination of the federal government and then to wrest from the postbellum South an acknowledgment of the civil rights of the Negro. The author delineates their key role in founding the Republican party and follows their struggle to keep the party firm in its opposition to the expansion of slavery, to commit it to emancipation, and finally to make it the party of racial justice. This is the story as well of the tangled relationship of the Radical Republicans with Abraham Lincoln—a relationship of both quarrels and mutual support. The author stresses the similarity between Lincoln's ultimate aims and those of the Radical Republicans, demonstrating that without Lincoln's support Sumner and his colleagues could never have accomplished their ends—and that without their help Lincoln might not have succeeded in crushing the rebellion and putting an end to the slavery. And he argues that by 1865 Lincoln's Reconstruction policies were nearing those of the Radicals and that, had he lived, they would not have broken with him as they did with his successor. Lincoln's assassination left the Radicals with no means to translate their demands into effective action. Their efforts to remake the South in such a way as to secure justice for the Negro brought them into conflict with President Johnson, in whose impeachment they played a leading role. Although they succeeded in initiating congressional Reconstruction and adding the fourteenth and fifteenth amendments to the Constitution, the Radicals lost power after the failure of the Johnson impeachment. Mr. Trefousse shows how, despite their declining influence throughout the 1870s, their accomplishments helped make possible—a century later—the resumption of the struggle for civil rights.

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 14th edition places an even greater emphasis on the global context of American history through a new feature, Thinking Globally. Revised primary source features excite student interest and help them learn to examine documents the way historians do. Additional pedagogical features make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present primary sources, scholarly debates, and key historical figures for analysis. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool. The best-selling Seagull Edition is also available in full color for the first time.

Includes the "AP Advantage 3-Step Solution, 1 Platform" formula for learning.
