This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish rorindicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

REALIDADES is a Standards-based middle school and high school Spanish program that combines language proficiency and cultural understanding. The program integrates research-based communication strategies, support for differentiated instruction, engaging technology, and a personalized learning management system (realidades.com) to make the program real for today's Spanish students.

All old cities have their secrets. Early morning, August 1882. Inspector Aloysius Alloway is awoken and brought into the investigation of a strangely dressed young woman found in King's Chapel Graveyard while one hundred and twenty-eight years later rookie Detective Shiloh Amsel finds a mummified human heart. Two different crimes, connected by Echo Cross, Boston's most closely kept secret. A hidden neighborhood, refuge of fae and supernatural beings, becomes the center of a conspiracy linking both detectives to a dark world of cults, conspiracy, and curious rifts in time.

Level-3 instructional book to teach children mind math skills using Soroban, the Japanese abacus.

Combines the current Practice Workbook and the Guided Practice Workbook into one workbook. Now you have a single workbook for all your students! This workbook provides two levels of support for students. The Guided Practice activities provide step-by-step practice including vocabulary flashcards and folding study sheets, guided grammar practice, and scaffolded support for each chapter's Lectura, Presentación oral, or Presentación escrita. The Core Practice activities feature basic practice for each chapter's new vocabulary and grammar, plus end-of-chapter Crossword Puzzle and Organizer. Looking to move to online workbooks?
