The Gold Standard in Biochemistry text books. Biochemistry 4e, is a
modern classic that has been thoroughly revised. Don and Judy Voet
explain biochemical concepts while offering a unified presentation of
life and its variation through evolution. It incorporates both classical
and current research to illustrate the historical source of much of our
biochemical knowledge.

Protein solution is added and electric field is reapplied. After staining, proteins are shown to be distributed along pH gradient according to their pI values. A stable pH gradient is established in the gel after application of an electric field. An ampholyte solution is pH 9 incorporated into a gel.
