The final exam is survival. Paul is the new kid at Mortingham Boarding Academy, and he has a dark secret. Caitlyn admires Paul from afar and resents that he only has eyes for Erika. Erika thinks that she and Caitlyn are best friends, but she's wrong. Adam is a bully with a major chip on his shoulder. Mark is outgrowing his old friends but doesn't know how to make new ones. In a few short hours, none of this will matter. Without warning, a horrifying infection will spread across the school grounds, and a group of students with little in common will find themselves barricaded in a classroom, fighting for their lives. Some will live. Some will die. And then it will get even worse. Fast-paced and frightening, Silver is a tale set on the fringes of science and horror - a story about the struggle to survive in the face of impossible odds.

darkly thrilling novel is a powerful blend of fantasy and science-fiction. Rail and Moa are two teenage thieves. Vago is a golem of metal and flesh. All three are denizens of Orokos, a city scoured by chaotic storms that rearrange streets and turn children into glass. No one can enter the city, or leave. Until one day Rail finds a mysterious artifact that may hold the key to the secrets of the city - and the chance of escape. And so begins an impossible quest. Get ready for a breathtaking adventure.

Having escaped from the comic book world of Malice alone, Seth must decide whether to remain there, or return to Malice, where his best friend Kady is trapped and plotting to overthrow Tall Jake with the help of a rebel group called Havoc.

Perfect for fans of Neil Gaiman and Tim Burton, this is no ordinary fairy tale. When Poison's baby sister is stolen by phaeries, Poison sets off on an incredible and dangerous journey to get her sister back from the Phaerie Lord. But as Poison travels to the Realm of Phaerie, she discovers that her story - and her destiny - is not in her control, and that she will need all her wits about her to survive. A fantasy where the power of story maybe the only thing that will save you, and where imagination knows no bounds.

Buckle up for a fast-paced, high-octane thrill ride! Cassica and Shiara are best friends. They couldn't be more different, but their differences work to their advantage -- especially when they're drag racing. Cassica is fearless and determined, making her the perfect driver for daring, photo-finish victories. Shiara is intelligent and creative, able to build cars out of scrap and formulate daring strategies from the passenger's seat. Now they've set their sights on the

Widowmaker -- the biggest, most anticipated, and most dangerous race of the year. The winners get a pass to a life of luxury and fame. The losers, more often than not, die in fiery explosions. And even if Cassica and Shiara survive the deadly three-day challenge... their friendship might be roadkill. This breathless reimagining of extreme sports is perfect for fans of Mad Max: Fury Road and NASCAR.

Seifer Tombchewer, a peasant boy living in the macabre Darkling Realm, proves his worth when he is forced to impersonate the missing Prince Talon Pandemonium as diplomat, warrior, and Lord Defender of the Realm.

Broken Sky is an epic tale of fighting fantasy, inspired by Japanese manga comics and videos. Kia and Ryushi are 16-year-old twins. They live a sheltered life, and their father is preparing them for the perils to come.

In a world similar to Victorian London, Thaniel, a 17-year-old hunter of deadly, demonic creatures called the wych-kin, takes in a lost, possessed girl and becomes embroiled in a plot to unleash evil on the world.

What with the ongoing gang fights between Davey's lot and the Abbey Cross crew, and the rumours about a serial killer stalking the city streets, Davey's already pretty edgy. So when one night he loses Benjy and finds himself alone, running from the gang that hate him, it's just what he doesn't need to come across a blank-faced, hooded figure in the cemetery. Could this be the Catchman that everyone's talking about? Davey's not sure; all he knows is that now he's edgier than ever - nightmares plague his sleep, and his weird black outs are getting more and more frequent... The Catchman is shadowing him - Davey knows it. He's just

The Hitchhiker's Guide to the Galaxy meets Guardians of the Galaxy in this intergalactic middle-grade adventure by Chris Wooding. If he had it his way, Jack would spend his days drawing aliens and epic space battles. But it seems Jack's daydreams of action and adventure will remain just that: daydreams. Until his 12th birthday, that is. That's when Thomas, the annoying kid from school, stumbles upon a weird machine that sends a beam of light into the sky. Suddenly, Jack's world is turned upside down when intergalactic beings appear on Earth and try to kill him. His only hope for survival is a ragtag team of alien bounty hunters: Boston Sark, Mazzy, Dunk, and Ilara. Through his new companions, Jack learns of the mysterious Gradius Clench, a precocious superspy and the universe's most wanted kid. And he looks just like Jack! Now, the race is on to find this elusive Gradius Clench -- through fantastic landscapes, seedy pirate hideaways, and worlds Jack could only imagine -- and maybe, just maybe, figure out how Jack fits into all of this...
