U.S. Marine Corps ...*

First To Fight begins with Krulak
engaged in a conversation with a
Gunnery Sergeant who was asked
how the Marine Corps got the
reputation of having one of the world's
greatest fighting formations. The
GySgt replies "Well lieutenant they
started telling everybody how great
they were and pretty soon they started
believing it".

In addition, he describes the Corps's relationship to other services, especially during the unification battles following World War II, and offers new insights into the decision-making process in times of crisis. First published in hardcover in 1984, this book has remained popular ever since with Marines of every rank.

First To Fight | U.S. Naval Institute

For example, the recruiting poster entitled “First to Fight” promised the opportunity not just to see combat, but also to be the first to do so. Implicit in this guarantee was the notion that sailors would not share this opportunity, even though Marines and sailors had fought side-by-side ashore for more than a century.
