Since meeting her Uncle Jahn's pupil, Evan Black, Angelina has had feelings for him, and Evan, out of respect for her Uncle, has kept his distance from Angelina, but now Jahn is gone freeing them to give in to their attraction.

Believing that she is the one woman strong enough to resist Tyler Sharp, who always gets what—and who—he wants, a beautiful woman surrenders her heart and soul to this man whose desires and passion rival her own. Original. 50,000 first printing.

New York Times bestselling author J. Kenner follows up her breathtaking Stark Trilogy with three sizzling standalone novels featuring unforgettable alpha males—and the seductive games they play. This is the series that led RT Book Reviews to proclaim, “Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them.” Now all three installments are available in one addictive ebook bundle: WANTED He is everything I crave, all I desperately want—and he is everything I can’t have. Evan Black embodies my every fantasy. He is brilliant, fierce, and devastatingly handsome. But he is also headstrong, dangerous, and burdened with secrets. My family warned me to stay away, that I could never handle Evan’s dark dealings or scarred past. Maybe I should have listened. Maybe I should have run. But our desire is undeniable, and some temptations you just can’t fight. And from the moment we touch—the passion between us consuming us both—I know that I will never be the same. HEATED I knew better than to risk my heart. But fierce passion comes at a high price. I grew up believing in right and wrong, good and evil, black and white. I knew better than to trust. And then I met Tyler Sharp. Bold, charming, and dangerously sexy, Tyler always gets what he wants. But his smile can be deceiving, his dealings sordid, his ambitions ruthless. I thought I was the one woman strong enough to resist him, but our need for each other was too urgent to deny. One look and I was in trouble. One touch and I was hooked. One night and I became his. And now that I’ve fallen, there’s no going back. IGNITED He promised to take me as far as I could go—and I wanted to go to the edge. My whole life has been a cover, a con, a lie. Praise for the Most Wanted series “Wanted is another J. Kenner masterpiece. . . . This was an intriguing look at self-discovery and forbidden love all wrapped into a neat little action suspense package. There was plenty of sexual tension and eventually action. Evan was hot, hot, hot! Together, they were combustible. But can we expect anything less from J. Kenner?”—Reading Haven “A steamy story with a dark edge. Recommended for those seeking crime drama with spice.”—Library Journal, on Heated “[Kenner’s] characters’ scorching, scandalous affair explores the very nature of attraction and desire, redeeming and changing them beyond measure.”—RT Book Reviews, on Heated “Ignited delivers both scorching hot scenes along with the evolution and unpeeling of emotional barriers built by past dark secrets. Moreover, the characters are complex, the passion is intense and the ultimate message that love can heal all is inspiring.”—The Romance Reviews (five stars) The Most Wanted series is intended for mature audiences.

They grew up together as the closest of friends... and then more. When Sara Nolan and Jaxon Barlow decided to be together, their relationship as a young couple was consumed by a love that was both passionate and beautiful. Sara had it all when it came to a boyfriend: romance, trust, and a protector of all things bad. Jaxon had given her his bleeding heart for the keeping. The last thing Sara expected was to ruin it all. Falling into a darkness that turned her loving relationship into a chaos of deceit and violence, she walked away from the pain she was inflicting on the man she loved, never seeking to return again. But when Sara is forced to return to her hometown, she didn't anticipate for Jaxon to be there. Nor does she anticipate the change in him; a change so harsh and callous, he is a stranger with a dangerous agenda of his own. Ignited by her past feelings and the reminder of the guilt she carries in her heart, Sara attempts to avoid Jaxon at all costs... only to find herself trying to pull him out of the same darkness she was once in. ***Book is intended for mature readers.*** This is part 1 of two books. This “smart, confident, and necessary” (Shea Serrano, New York Times bestselling author) first cultural biography of rap superstar and “master of storytelling” (The New Yorker) Kendrick Lamar explores his meteoric rise to fame and his profound impact on a racially fraught America—perfect for fans of Zack O’Malley Greenburg’s Empire State of Mind. Kendrick Lamar is at the top of his game. The thirteen-time Grammy Award-winning rapper is just in his early thirties, but he’s already won the Pulitzer Prize for Music, produced and curated the soundtrack of the megahit film Black Panther, and has been named one of Time’s 100 Influential People. But what’s even more striking about the Compton-born lyricist and performer is how he’s established himself as a formidable adversary of oppression and force for change. Through his confessional poetics, his politically charged anthems, and his radical performances, Lamar has become a beacon of light for countless people. Written by veteran journalist and music critic Marcus J. Moore, this is much more than the first biography of Kendrick Lamar. “It’s an analytical deep dive into the life of that good kid whose m.A.A.d city raised him, and how it sparked a fire within Kendrick Lamar to change history” (Kathy Iandoli, author of Baby Girl) for the better.

When her enemies try to draw her out of hiding by kidnapping her father, Remy, who has discovered her dual identity as a Healer and Protector, worries about her mortal boyfriend Asher while also finding herself growing closer to Asher's brother, Gabe.

What is it that we as a nation are missing? Why, given all our skills, resources and talents, do we settle so often for the ordinary instead of striving to be the best? At the heart of Ignited Minds is an irresistible premise: that people do have the power, through hard work, to realize their dream of a truly good life. Kalam’s vision document of aspiration and hope motivates us to unleash the dormant energy within India and guide the country to greatness.

Kenner style, this book was filled with the perfect amount of deception, lies, action and angst.” - The Overflowing Bookcase This Collection includes: Shattered With You Broken With You Ruined With You Shadows of You (a short story that is a prequel to Broken With You) SHATTERED WITH YOU The only price she won’t pay is her heart. Quincy Radcliffe has fast become a key asset at the newly formed Stark Security. A former British agent with lethal skills and criminal connections, it’s a no-brainer for him to rise through the ranks. But Quincy isn’t the man he appears to be. And one woman could expose all his secrets. Once, he worshipped Eliza Tucker. He adored her body and then broke her heart. But now she needs help, and he’s the only man that can do it. Quincy knows he must either turn his back on her or risk revealing his dark past to the one woman who can—and will—tear open his old wounds. For years, Eliza has tried to forget the man who shattered her. His smoldering good looks had drawn her in; his British charm had enchanted her. But it was the wildness of his seduction and the ferocity of his passion that captured her. She’d given herself to him—and he’d destroyed her. Now, he’s the only person who can help find her missing sister. She’ll use him because she has to. She’ll pay anything he demands, whether in the bank or the bedroom. She won’t fall for him again. But what if it isn’t her choice to make? BROKEN WITH YOU True love never fades... After surviving a troubled childhood, Denise can’t believe that she’s blissfully married to her partner and soulmate. She’s confident that not even Mason’s long-term, deep-cover assignment will shake their bond. And she certainly doesn’t anticipate that when he finally walks back through her door that he’ll have no memory of her, himself, or their time together... When Mason is pulled out of an operation gone bad, all he knows is what he’s told — that he was a covert agent, that he has information vital to national security somewhere in his head, and that they can tell him no more for fear of burying those hard-fought secrets even further. They tell him nothing else; not even that the beautiful woman who makes his heart beat faster is not just his partner, but also his wife. The secret she must keep wrecks Denise, who wants only to return to Mason’s arms. But despite the desire that still burns hot between them, she can’t tell him who she is—or that she’s carrying his child. But when dark forces threaten both their lives in order to retrieve the information trapped in Mason’s mind, it’s not their past that will be tested, but the tenuous new love now burning hot between them. RUINED WITH YOU When her high maintenance boss is assaulted, manager Xena Morgan contacts the only person who can help—the sexy, arrogant, incredibly capable Stark Security agent Liam Foster. The former vigilante takes every case personally, and he’s determined to find answers—particularly since he thought he’d cleared this threat already. Xena had been thrilled when Liam completed his assignment, because he affected her in ways she didn’t want to contemplate, awakening yearnings that threatened her deepest secrets. But now she needs him, and her body won’t let her forget it. As their attraction heats to a feverish degree, the web of lies, danger, and passion they find themselves in tangles further. Liam will stop at nothing to protect his client, even if it means sacrificing everything he holds dear ... and exposing the secrets that may destroy him—and Xena—forever.
