Kenmore 4318099 Heat Pump Run Capacitor Genuine Original ...

This Kenmore 2 tons heat pump ch5024qkb2, sold by Sears, was installed in November 1992, manufactured in August 1991 by icp (Inter-City Products at that time). I have purchased the house in 2011, including this heat pump. According to files of the former owner, only the exterior fan has been changed around 2005.

Kenmore | Heat Pump Reviews | FurnaceCompare®

Kenmore heat pumps from Elite series are known as Sears hybrid water heaters and are designed to heat potable water by utilizing technologies of electric heaters and heat pumps. The heat pump technology uses the surrounding warm air for water heating while reducing the use of heating elements, and therefore making the system very efficient.

In the example shown below, it was marked at the bottom of the data plate that the unit (a package heat pump) was manufactured by Goodman, and they go by the first two numbers—so it is 1998. When the data plate references the actual manufacturer you can assume that the serial number complies with their system.
