Berisi kumpulan hadits yang dinukilkan dari enam imam terkemuka: Bhukori, Muslim, Abu Dawud, Tirmidzi, Nasa'i, dan Ibnu Majah.

She's a free-spirited dreamer. He's a brilliant painter. But now their shared passion for art has turned into something deeper.... For as long as she can remember, Kugy has loved to write. Whimsical stories are her passion, along with letters full of secret longings that she folds into paper boats and sets out to sea. Now that she's older, she dreams of following her heart and becoming a true teller of tales, but she decides to get a "real job" instead and forget all about Keenan, the guy who makes her feel as if she's living in one of her own fairy tales. Sensitive and introverted, Keenan is an aspiring artist, but he feels pressured to pursue a more practical path. He's drawn to Kugy from first sight: she's unconventional, and the light radiating from her eyes and the warmth of her presence pull him in. They seem like a perfect match-both on and off the page-but revealing their secret feelings means risking their friendship and betraying the people they love most. Can they find the courage to admit their love for each other and chase their long-held dreams?

Her concern for women, her belief in their power to stand against (and sometimes be crushed by) social violence, and her faith in the healing power of Islam is new in Indonesian literature, and unmistakably powerful. Harry Aveling Cerpen-cerpen Helvy indah, menginspirasi, dan selalu membuat saya jatuh cinta. Asma Nadia Cerpen tak sanggup membatalkan Helvy Tiana Rosa dari seorang penyair. Putu Wijaya Karya-karya Helvy merupakan advokasi kepada hak-hak asasi wanita yang selama ini dinodai oleh struktur-struktur kekuasaan di dalam masyarakat. Frans M. Parera Dalam cerpen-cerpen Helvy Tiana Rosa, hal penting yang perlu dicatat adalah vitalitas tokoh-tokoh ciptaannya dan kreativitas pengarangnya. Kuntowijoyo Nampak benar bahwa Helvy amat tertarik menulis karya sastra dengan tema Islam dan sosial, juga nampak bahwa ia tertarik menulis karya dengan Óancang-ancang Ó penelitian terlebih dahulu. Budi Darma Ms. Helvy Tiana Rosa, is hailed as the pioneer of fiction with Islamic undertones. The Straits Times Helvy Tiana Rosa has written 35 books including novels that focus on humanrights abuses against women in conflict zones such as Aceh or Palestine. Los Angeles Times

Selamat Datang Dunia Nyata! Sebagai seorang perantau di ibukota, Kastana mengawali kariernya sebagai reporter sebuah kasta terendah di sebuah majalah musik. Jakarta Kota Metropolitan, memang begitulah adanya. Kastana harus berjuang untuk dapat hidup ' layak ' di kota yang kehidupannya serba-cepat dan serba-penuh-kejutan ini. Seluk-beluk pekerjaan di dunia jurnalistik, khususnya jurnalistik dunia hiburan, digambarkan dengan ringan dan segar oleh Soleh Solihun. Kehidupan di luar pekerjaan tak luput diceritakan, mulai dari kelakuan copet di atas Metro Mini hingga kisah kasih dengan sang pujaan hati. Pertama kali bertemu Soleh saat dia mewawancara Gigi memakai bahasa baku yang sontak membuat kami tertawa keras. Gara-gara pertemuan itulah akhirnya Soleh menjadi sosok yang berkesan buat saya. Kariernya terus melesak maju menjadi seorang ' komik ' , penyiar radio, dan sekarang penulis! Hebat, Leh! Maju terus pantang mundur! [Armand Maulana] Membaca buku ini seperti membaca sirkus rock & roll dari seorang anak manusia sederhana. Petualangan jujur tanpa rekayasa. Ada tawa, canda, dan asmara bergumul menjadi keringat kehidupan. Buku ini membuat saya teringat akan novel Blues Merbabu dari Gitanyali atau Bre Redana. Tapi, apakah Soleh Solihun menulis kisah nyata atau fiksi belaka? Sebaik-baik teman sepanjang waktu adalah buku? Anggap saja buku ini sepenggal kisah lama dari teman untuk Anda... [Adib hidayat, Rolling Stone Indonesia] Membaca buku ini mengembalikan ingatan masa lampau yang kalau diingat, lucu. Memoar yang dikemas seakan fiksi ini menarik dengan gaya penulisan Soleh yang mengalir & mampu mengingat banyak hal yang saya bahkan lupa semasa kami bersama. [Arian13, vokalis Seringai]

Renungan Harian Anak e-Kerygma Kidz - Edisi 6 --RenunganKerygma--

#1 NEW YORK TIMES BESTSELLER * "The Uninhabitable Earth hits you like a comet, with an overflow of insanely lyrical prose about our pending Armageddon."--Andrew Solomon, author of The Noonday Demon With a new afterword It is worse, much worse, than you think. If your anxiety about global warming is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible--food shortages, refugee emergencies, climate wars and economic devastation. An "epoch-defining book" (The Guardian) and "this generation's Silent Spring" (The Washington Post), The Uninhabitable Earth is both a travelogue of the near future and a meditation on how that future will look to those living through it--the ways that warming promises to transform global politics, the meaning of technology and nature in the modern world, the sustainability of capitalism and the trajectory of human progress. The Uninhabitable Earth is also an impassioned call to action. For just as the world was brought to the brink of catastrophe within the span of a lifetime, the responsibility to avoid it now belongs to a single generation--today's. Praise for The Uninhabitable Earth "The Uninhabitable Earth is the most terrifying book I have ever read. Its subject is climate change, and its method is scientific, but its mode is Old Testament. The book is a meticulously documented, white-knuckled tour through the cascading catastrophes that will soon engulf our warming planet."--Farhad Manjoo, The New York Times "Riveting. . . . Some readers will find Mr. Wallace-Wells's outline of possible futures alarmist. He is indeed alarmed. You should be, too."--The Economist "Potent and evocative. . . . Wallace-Wells has resolved to offer something other than the standard narrative of climate change. . . . He avoids the 'eerily banal language of climatology' in favor of lush, rolling prose."--Jennifer Szalai, The New York Times "The book has potential to be this generation's Silent Spring."--The Washington Post "The Uninhabitable Earth, which has become a best seller, taps into the underlying emotion of the day: fear. . . . I encourage people to read this book."--Alan Weisman, The New York Review of Books

Published in Indonesia in 2005, The Rainbow Troops, Andrea Hirata's closely autobiographical debut novel, sold more than five million copies, shattering records. Now it promises to captivate audiences around the globe. Ikal is a student at the poorest village school on the Indonesian island of Belitung, where graduating from sixth grade is considered a remarkable achievement. His school is under constant threat of closure. In fact, Ikal and his friends—a group nicknamed the Rainbow Troops—face threats from every angle: skeptical government officials, greedy corporations hardly distinguishable from the colonialism they've replaced, deepening poverty and crumbling infrastructure, and their own low self-confidence. But the students also have hope, which comes in the form of two extraordinary teachers, and Ikal's education in and out of the classroom is an uplifting one. We root for him and his friends as they defy the island's powerful tin mine officials. We meet his first love, the unseen girl who sells chalk from behind a shop screen, whose pretty hands capture Ikal's heart. We cheer for Lintang, the class's barefoot math genius, as he bests the students of the mining corporation's school in an academic challenge. Above all, we gain an intimate acquaintance with the customs and people of the world's largest Muslim society. This is classic storytelling in the spirit of Khaled Hosseini's The Kite Runner: an engrossing depiction of a milieu we have never encountered before, bursting with charm and verve.
