### The Legend Series □ Jude Deveraux

I am a huge fan of Jude Deveraux. I love her dialogue, her witty characters, and the situations those characters get into. However, "Legend" was a little off beat for me. Time travel is always a little difficult for a writer I think, since there are so many outcomes you have to consider, and the chance that it may confuse the reader.

First of all the positives - good writing, well rounded characters as one comes to expect from Jude Deveraux. The time travel adds a great twist and is enjoyable, however for me the negatives were there were too many men who Kady might / might not love, too much going back and forth to Legend, and sadly after the midway point I couldnt wait to get to the end.

Her wedding fast approaching, celebrated chef Kady Long knew she was the luckiest woman alive...until she slipped into a delicate satin wedding dress she found in an antique flour tin and was overcome by an odd dizzy spell. When she came to, Kady was in the dusty western town of Legend, Colorado -- where a hanging was about to commence! With quick wits and more than a little moxie, Kady halts the proceedings, much to the relief of one Cole Jordan, a tall, thankful, and very appealing man. Now it's Kady's turn to enlist his help to find a way back home. But before long, Kady discovers a passion that she knows can only live in Legend -- until Cole reveals a secret that unites them in a way Kady never could have imagined.

Bestselling romance writer Hayden Lane has never been so obsessed with one of her fictional heroes before so entranced that she barely notices when her fiancé breaks their engagement. Desperate to discover more about him, she visits a psychic who tells her that in a past life, Hayden was Lady de Grey, a promiscuous woman of Edwardian England whose ghost is said to haunt her husband's home. Warned not to investigate further, Hayden is more intrigued than ever and can't resist being subject to a hypnotist's magic. But the trick goes wrong, and instead of merely remembering her past as Lady de Grey, Hayden is living it right down to her too-tight corset. Now, Hayden will discover quite a different story about a woman history considered a trollop, a spectacular, brooding man, and the rapturous love that would be hers if she dared open her heart to the most mysterious adventure of all....

Abandoned by her lover after a quarrel, Dougless Montgomery is stranded in rural England, but with the sudden appearance of Nicholas Stafford, Earl of Thornwyck--who died centuries ago--a passionate affair begins.

After being abruptly jilted, Sophie Kincaid flees to the place her friend Kim Aldredge calls heaven on earth. But Sophie's first taste of Edilean is far from heavenly: after her car breaks down on a country road, she is nearly run over by a speeding sports car. A small act of revenge brings some satisfaction, and word quickly spreads that a gorgeous newcomer gave the driver, the notoriously bitter Dr. Reede Aldredge, a dressing down! But it isn't the first time the fiery artist has gone too far for payback; a secret possession she carries with her could shatter her ex-boyfriend's future. Reede Aldredge has secrets, too, including a desire to get closer to the beauty who is turning his dark world upside-down. Under the night skies, their masquerade is magic-but will it turn to stardust by the light of day?

NEW YORK TIMES BESTSELLER — Jude Deveraux, the bestselling author of unforgettable romance, returns with a breathtaking first book in a fantastic series—the Nantucket Brides trilogy. Set on the magical Massachusetts island, True Love introduces characters from a new generation of Montgomery-Taggerts, the beloved family from Deveraux's classic novels. Just as Alix Madsen is finishing up architectural school, Adelaide Kingsley dies and wills her, for one year, the use of a charming nineteenth-century Nantucket house. The elderly woman's relationship to the Madsen family is a mystery to the spirited Alix—fresh from a romantic breakup—but for reasons of her own Alix accepts the quirky bequest, in part because it gives her time to plan her best friend's storybook wedding. But unseen forces move behind the scenes, creaking Kingsley House's ancient floorboards. It seems that Adelaide Kingsley had a rather specific task for Alix: to solve the strange disappearance of one of the Kingsley women, Valentina, more than two hundred years ago. If that wasn't troubling enough, Alix must deal with the arrogant (and extremely good-looking) architect Jared Montgomery, who is living in the property's guesthouse. Unbeknownst to Alix, Jared has been charged with looking after her while she lives on the island—an easy task for him, considering the undeniable chemistry between the two. But Jared harbors secrets of his own, which, if revealed, may drive a wedge between the pair. With a glorious Nantucket wedding on the horizon, sparks fly, and the ghosts of the past begin to reveal themselves—some of them literally. Finding their lives inextricably entwined with the turbulent fortunes of their ancestors, Alix and Jared discover that only by righting the wrongs of the past can they hope to be together. **BONUS:** This edition includes an excerpt from Jude Deveraux's For All Time. Praise for True Love —Jude Deveraux's Nantucket Brides series will sweep you away. A beautiful island, a sexy man, and plenty of secrets—this is a wonderful writer at her best.—Susan Mallery, New York Times bestselling author of Three Sisters —A new Jude Deveraux novel means a very late night turning
