Awasin, a Cree Indian boy, and Jamie, a Canadian orphan living with his uncle, the trapper Angus Macnair, are enchanted by the magic of the great Arctic wastes. They set out on an adventure that proves longer and more dangerous than they could have imagined. Drawing on his knowledge of the ways of the wilderness and the implacable northern elements, Farley Mowat has created a memorable tale of daring and adventure. When first published in 1956, *Lost in the Barrens* won the Governor-General's Award for Juvenile Literature, the Book-of-the-Year Medal of the Canadian Association of Children's Librarians and the Boys' Club of America Junior Book Award.

A Cree Indian boy and a city boy are stranded in the northern wilderness with no food and no hope of rescue after their canoe capsizes. Survival will test every ounce of their ingenuity and resilience.

The popular sequel to his award-winning *Lost in the Barrens*, this is Farley Mowat's suspense-filled story of how Awasin, Jamie and Peetryuk, three adventure-prone boys, stumble upon a cache of Viking relics in an ancient tomb somewhere in the north of Canada. Packed with excitement and with little-known information about the customs of Viking explorers, this story of survival portrays the bond of youthful friendship and the wonders of a virtually unexplored land.

Every child needs to have a pet. No one could argue with that. But what happens when your pet is an owl, and your owl is terrorizing the neighbourhood? In Farley Mowat's exciting children's story, a young boy's pet menagerie – which includes crows, magpies, gophers and a dog – grows out of control with the addition of two cantankerous pet owls. The story of how Wol and Weeps turn the whole town upside down is warm, funny, and bursting with adventure and suspense.

"Resource kit and study guide is one of a series which depicts Native Cultures of North

America" -- Preamble.

Following Farley Mowat's bestselling memoir, *Otherwise*, the literary lion returns with an unexpected triumph *Eastern Passage* is a new and captivating piece of the puzzle of Farley Mowat's life: the years from his return from the north in the late 1940s to his discovery of Newfoundland and his love affair with the sea in the 1950s. This was a time in which he wrote his first books and weathered his first storms of controversy, a time when he was discovering himself through experiences that, as he writes, "go to the heart of who and what I was" during his formative years as a writer and activist. In the 1950s, with his career taking off but his first marriage troubled, Farley Mowat buys a piece of land northwest of Toronto and attempts to settle down. His accounts of building his home are by turns hilarious and affecting, while the insights into his early work and his relationship with his publishers offer a rare glimpse into the inner workings of a writer's career. But in the end, his restless soul could not be pinned to one place, and when his father offered him a chance to sail down the St. Lawrence, he jumped at it, not realizing that his journey would bring him face to face with one of Canada's more shocking secrets – one most of us still don't know today. This horrific incident, recalling as it did the lingering aftermath of war, and from which it took the area decades to recover, would forge the final tempering of Mowat as the activist we know today. Farley Mowat grows wiser and more courageous with each passing year, and *Eastern Passage* is a funny, astute, and moving book that reveals that there is more yet to this fascinating and beloved figure than we think we know. From the Hardcover edition.

The Black Joke is a rousing sea story in the tradition of the great classic pirate tales. The time is the 1930s. The loot is bootleg liquor, not pirate gold. And the ship is the "Black Joke," the speediest, nimblest craft on the Newfoundland coast – Jonathon Spence, owner and master. An unwelcome passenger enmeshes the boat and her crew (young Peter and Kye) in danger and near destruction...until the fiercely independent people of the island of Miquelon are caught up in the fate of the "Black Joke" and the cargo aboard her.

First published in 1957, this is one of those classic dog books that everyone who ever read it remembers. Much as they remember the great Canadian novelist Farley Mowat - for his wry humor, his marvelous use of language (his father was a librarian), his passion for animals in all forms and the outdoors in all its glory, and his seemingly endless series of misadventures.
