The best alarm clock is the Philips SmartSleep HF3520 (view on Amazon). It's one of the best wake-up lights on the market, letting your body wake up in a peaceful, natural way without needing to blare an alarm. For a more traditional alarm clock, we like the Brandstand CubieTime (view on Amazon). It's not much of a looker, but it has a simple interface, backup batteries, and offers additional charging options.
