An instruction guide for basic through advanced bottleneck guitar. Over fifteen tunes in the styles of Robert Johnson, Son House, Duane Allman, Ry Cooder and others, with exercises, runs, chords and tunes in open and standard tunings, written in standard notation and tablature.

(Music Sales America). This is an instruction guide for basic through advanced bottleneck guitar. It features the most important riffs and exercises for slide guitar, plus 16 songs in the styles of Robert Johnson, Duane Allman, Ry Cooder and others. Tunes in open and standard tunings are included, written in standard notation and tablature. The accompanying audio is accessed through Hal Leonard's popular MyLibrary system using the provided code. The audio can be streamed or downloaded and includes PLAYBACK+, a multi-functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right.

A guide to music provides recommendations on one thousand recordings that represent the best in such genres as classical, jazz, rock, pop, blues, country, folk, musicals, hip-hop, and opera, with listening notes, commentary, and anecdotes about performers

Ragtime fingerstyle guitar is one of the most satisfying ways of playing. If you love the challenge and want to try some syncopated rhythms, or move away from the normal arpeggiated fingerstyle of picking, then the tunes in this volume are just for you. There's a mix of classic tunes that I have arranged by players such as Big Bill Broonzy or Rev. Garry Davis, and a whole bunch of ditties that I've written in the ragtime style. Some tunes are more difficult than others, but well worth the effort if you want to improve your picking style and build on your repertoire. So, put on your dancing fingers and let's get stuck into some great tunes. Audio is available if you follow the links. Also, most pieces are supported by video.

(Book). The late Lowell George is best known as the lead singer, slide guitarist, songwriter and producer of Little Feat. George's humor and surreal lyrics became a Little Feat trademark, making songs like "Fat Man in the Bathtub" and "Dixie Chicken" unforgettable. Rock and Roll Doctor explores the genius that animated Little Feat from George's early bands to his work with Frank Zappa, landmark albums such as Feats Don't Fail Me Now and The Last Record Album, and his later production work with Linda Ronstadt and the Grateful Dead. George's colorful childhood is covered in depth as is his solo career after Little Feat that was cut short tragically. Each Little Feat album is treated to a separate chapter that examines the development of every song how it was conceived, recorded and produced. The analysis of Little Feat's complex rhythms will fascinate musicians and fans alike. "Lowell George was the best singer, songwriter and guitar player I have ever heard, hands down, in my life." Bonnie Raitt

This four-volume work provides provocative critical analyses of 160 of the best popular music albums of the past 50 years, from the well-known and mainstream to the quirky and offbeat.

Topics covered include choosing the right slide, open "blues" tunings, stylistic licks and patterns, standard tuning techniques and more. The book contains a full-color photo section showing all types of slides, and it includes 32 music examples in standard notation and tablature.

A comprehensive dictionary of blues lyrics invites listeners to interpret what they hear in blues songs and blues culture, including excerpts from original interviews with Dr. John, Bonnie Raitt, Hubert Sumlin, Buddy Guy, and many others.

In this lively collection of interviews, storied music writer Jas Obrecht presents a celebration of the world's most popular instrument as seen through the words, lives, and artistry of some of its most beloved players. Readers will read--and hear--accounts of the first guitarists on record, pioneering bluesmen, gospel greats, jazz innovators, country pickers, rocking rebels, psychedelic shape-shifters, singer-songwriters, and other movers and shakers. In their own words, these guitar players reveal how they found their inspirations, mastered their instruments, crafted classic songs, and created enduring solos. Also included is a CD of never-before-heard moments from Obrecht's insightful interviews with these guitar greats. Highlights include Nick Lucas's recollections of waxing the first noteworthy guitar records; Ry Cooder's exploration of prewar blues musicians; Carole Kaye and Ricky Nelson on the early years of rock and roll; Stevie Ray Vaughan on Jimi Hendrix; Gregg Allman on his brother, Duane Allman; Carlos Santana, Eric Johnson, and Pops Staples on spirituality in music; Jerry Garcia, Neil Young, and Tom Petty on songwriting and creativity; and early interviews with Eddie Van Halen, Joe Satriani, and Ben Harper.

(Guitar Educational). A master guitarist and pioneer of guitar education, Arlen Roth has been a part of the guitar scene for decades, touring and recording with artists such as Simon & Garfunkel, Bob Dylan, John Prine, Ry Cooder, Levon Helm, John Sebastian, and countless others. In this new video series, Arlen passes along his knowledge of authentic slide guitar styles, providing tips, licks, tunings and detailed breakdowns. The accompanying book reinforces your learning experience with transcriptions of key examples from the videos, presented in standard notation and tablature. Includes over an hour of video lessons, accessed online for download or streaming, using the unique code in each book. Topics covered include: basic slide technique \* dampening and muting \* hammer-ons and pull-offs \* slide angling \* open D tuning \* open G tuning \* high G tuning \* standard tuning \* chords and scales \* and blues and folk styles. Includes over an hour of video lessons!
