El enojo esta' BIEN La Violencia
NO written by Julie Federico and
illustrated by Glori Alexander, is a
thoughtful, much-needed addition
to pre-school teachers' and social
workers' libraries. With vibrant,
TV-cartoon-like illustrations and

Holmes simple, direct text appropriate for even the youngest children, this picture book explores the complexity and vitality of anger, and when it is appropriately expressed and when it is not. True emotional intelligence is something recognized and

respected but rarely taught and discussed, even among adults. The goal of this worthy project is to engage children in a safe, non-threatening exploration of complicated, often-frightening feelings. Federico lets kids know that anger is normal, though

Download Free Terrible Thing Happened Margaret

managing its expression can be complicated. Clear language and child-friendly art invite a direct, straightforward examination of when anger is appropriate and how to safely express it through art, physical activity, tears.

What's not OK is hitting, biting,

throwing and hurting. The book gently and clearly reminds its vulnerable audience that adults can find the journey just as tricky as children do. If an adult hurts a child or someone they love, Federico instructs her young readers that telling a trusted

adult is a safe and right action for them to take. Needless to say, this is complex emotional territory, and Federico's tone is perfect: even, loving, simple, clear. Educators and caregivers may well find this a helpful tool in eliciting important conversations,
