Care & Repair Support. When something's not working, you need it fixed fast. You can either call a professional or attempt to fix it yourself. With American's Standard's Care & Repair tools, you can diagnose your own situation to help you get quickly on your way.

Learn how to do all of your own home repairs with this comprehensive, visual guidebook! When something breaks in your house, finding and hiring an expensive repairman shouldn't be the only option for homeowners. Next time your faucet springs a leak or that bedroom doorknob punches a hole in your drywall, fix it yourself with help from The Complete Photo Guide to Home Repair: a one-volume encyclopedia of do-it-yourself fixes that will save you money, time, and frustration. With 350 projects offering clear instructions and over 2,000 photos to guide you through common repairs, The Complete Photo Guide to Home Repair is your one-stop DIY manual. Formatted in a compact size and arranged by general subject matter, this comprehensive book includes directions for repairing the primary trouble spots: plumbing, wiring, windows and doors, flooring, furnaces, water heaters, wall coverings, and more. You'll find lists of necessary tools as well as expert tips. A few of the repairs covered include: Repairing water damaged walls and ceilings Removing wall and ceiling surfaces Installing entry doors Repairing gutters Staining siding Replacing a water heater Quieting noisy pipes Replacing a toilet Troubleshooting home wiring Home codes change often; that's why this fourth edition of The Complete Photo Guide to Home Repair has been scrupulously updated to conform to the most recent guidelines for plumbing, wiring, and structural and mechanical systems. No other handbook of home repairs can make such a claim. When you flip open this book, you're getting the most up-to-date advice available.

BLACK+DECKER™ Home How-To Home Repair provides rich, color step-by-step photos and instruction for over 50 of the most common household repairs, including wiring and plumbing, all current with the latest 2019-2020 codes-presented in a new, user-friendly design for today's homeowners. For more than 30 years, BLACK+DECKER™ has been the leading brand in home improvement books. BLACK+DECKER™ Home How-To Home Repair still features the clear, step-by-step photography that this family of books is known for, but the design and pages have been completely updated to be more open and make sense with how homeowners-and first-time homeowners, in particular- seek information today. Along with wiring and plumbing fixes, you will find how-to guidance for other common repairs to walls, floors, ceilings, windows, and doors.

"Clear, step-by-step instructions with full-color photography show how to accomplish the most common home repair, maintenance and improvement tasks. A complete homeowners manual for jobs that cover every part of the home, including electrical, plumbing, flooring, walls, windows and doors, kitchens, bathrooms, cabinetry, garages, basements, and exteriors"--

A do-it-yourself expert presents a definitive guide to hundreds of major and minor carpentry and woodworking jobs around the house, furnishing detailed instructions, along with more than 1,600 photographs, diagrams, tables, and illustrations to help homeowners install a wall, replace wainscoting, update a kitchen or bathroom, install lighting and appliances, and repair furniture, among other tasks. Original.

The Bluebook provides over 100,000 residential & light commercial structure and contents costs for construction, reconstruction, remodeling, repairs, and home improvement of all types throughout the United States and Canada.

BLACK+DECKER The Complete Guide to Plumbing 7th Edition is the most comprehensive, up-to-date book on achievable home plumbing projects for DIYers of all skill levels.
