your Teaching—The authors are dedicated to supporting your teaching and your student ' s learning, which is why they listen to YOU and develop resources based on YOUR suggestions and course needs. This is the only author-team on the market that carefully review each and every resource to ensure cohesion. Accessible to All—This learning program has moved toward tighter compliance with the Web Content Accessibility Guidelines, and provides students the opportunity to learn regardless of learning style or disability. What ' s more, it earned a perfect score of 100 points possible by Quality Matters, an independent organization that reviews and certifies the quality of online courses and online components. Choose a platinum experience. Choose Understanding Business.

PRINCIPLES OF BUSINESS, Eighth Edition, provides complete instruction in business concepts and skills students need in today's competitive environment. This market-leading introductory business text offers extensive coverage in major business concepts, such as finance, marketing, operations, and management. Students gain valuable information and skills for the workplace, as well as preparation for success in competitive events, such as DECA, FBLA, and BPA. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Filled with real-world case studies and examples of ethical dilemmas, Understanding Business Ethics, Third Edition prepares students and managers alike to make ethical decisions in today ' s complex, global environment. Bestselling authors Peter A. Stanwick and Sarah D. Stanwick explain the fundamental importance of ethical leadership, decision making, and strategic planning while examining emerging trends in business ethics such as the developing world, human rights, environmental sustainability, and technology. In addition to presenting information related to the Association to Advance Collegiate Schools of Business (AACSB), the text ' s 26 real-world cases profile a variety of industries, countries, and ethical issues in a way that is relevant and meaningful to students ' lives. The Third Edition features new cases from well-known companies such as Disney and General Motors, new coverage of emerging topics such as big data and social media, expanded coverage of corporate social responsibility, and more. Using an applied approach, this text helps students understand why and how business ethics really do matter!

The experienced author team, alongside the long-tenured McGraw Hill product team have created a market-leading product that meets the needs of nearly all classrooms, no matter the size, teaching modality or learning objectives. The content is unmatched in depth, breadth, currency, and relevancy, and is presented in an extremely readable format for students with all learning styles. A wealth of technology solutions engages students, enriches learning, furthers understanding, and simplifies instructors ' assessment processes. Course supplements tightly align with chapter concepts and to enhance retention, making instructors of all experience levels Grade-A rockstars. Unparalleled support from our Digital Faculty Consultants, Student Ambassadors, Implementation, Sales and Product Teams, all help to ensure both instructors and students benefit from the full experience of what is now the Gold Standard in Introduction to Business classes.

Thoroughly updated, the 9th edition of this bestselling textbook incorporates global trends and data, supported by an exemplary case selection based on firms from around the world. The internationally cited author team of Czinkota, Ronkainen, and Gupta balance conceptual understanding of business theory with the day-to-day realities of business practice, preparing students to become successful participants in the global business place. This edition brings greater focus on Asia and emerging markets, as well as Brexit, the impact of COVID-19 on business and the importance of technology and the digital space to international business practice. Through its discussion and analysis, the book guides students to a greater understanding of contemporary business issues and helps them to develop new tools of analysis. Covering all key aspects of international business, the authors emphasize a few key dimensions: international context, role of government in international business, small- and medium-sized firms, and

social responsibility.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Visually engaging, enticing and current examples with an overall focus on business. Business Law continues to be the most engaging text for readers by featuring a visually appealing format with enticing and current examples while maintaining its focus on business. Readers will learn business law, ethics, and the legal environment in a way that will encourage them to ask questions and go beyond basic memorization.
